AMENDMENT UNDER 37 C.F.R. 1.312

OFFICE OF PETITIONS

S I R:

Please enter this amendment which is being filed in response to a telephone communication from Examiner Samuel Sough reporting that the Office of Patent Publication (PUBS) had discovered errors in the text, inconsistencies between the drawings and the application papers, and the presence of hyperlinks. An appropriate amendment is required, and PUBS has been delegated the authority to waive the requirement of 37 CFR 1.312 and accept an amendment filed after the payment of the issue fee in such circumstances. It is believed that no new matter has been added.

Additionally, Applicant takes this opportunity to Petition to enable publication of the patent to reflect that the inventor has legally changed his name.
